United Alumni Drum and Bugle Corps is very proud to be marching into our 13th year of performing for audiences across Ontario, Quebec and the U.S. It was in 1998 when a “middle-aged” group of former drum corps members decided to relive their youth after a reunion of four local drum corps in July of that year.

Our history spans more than five decades from 1950 to 2000 and our member’s range in age from 14 to 87. United Alumni is very proud to have won many awards throughout the years including Best Marching Unit in the Montreal St. Patrick’s Day Parade and best Musical Unit out of 20 marching bands at the 2010 West Virginia Strawberry Festival, in Buckhannon West Virginia.

United Alumni Drum and Bugle Corps proudly present this year’s repertoire of; 76 Trombones, I Go to Rio, Never Walk Alone, Danny Boy, Copacabana, Flam Dunk and A Place to Stand.

Our brass instructor and arranger is George Parkinson, our percussion instructor and arranger is Mark Lewis, corps director is Ed Pow, colour guard captain is Chris Mullin and drum major is Len Addley.
