Announcer's Introduction

The United Alumni Drum and Bugle Corps was formed in 1998 as a one time reunion event. That one time event has continued into their twelfth season of operation. Their marching member's history spans more than five decades from 1950 to 2000. Today their members come from across Ontario to perform before audiences in parades and shows in the United States, Quebec and of course Ontario. United Alumni is very proud to announce their recent accomplishment of winning best Musical Unit out of 20 marching bands at the West Virginia Strawberry Festival, in May of this year.

The United Alumni proudly presents their 2010 repertoire: A Place to Stand, As the Deer, When Irish Eyes Are Smiling, Danny Boy, You'll Never Walk Alone, I Go to Rio, and 76 Trombones.

Our brass instructor is Kevin Matthews and our percussion instructor is Robert Judd, our Corps Director is Ed Pow, colour guard captain is Chris Mullin and under the direction of Drum Major Len Addley...
