The instruments we play.

Horn Line

All of our horns are known as bugles which are in the key of G as opposed to normal band instruments which are in the key of B flat.

Soprano, similar to a trumpet

Mellophone, similar to a French horn.

Baritone

But don't let the word bugle scare you. If you can play a Trumpet, French horn, Baritone or a Tuba, you can play one of our horns.

Drums or Percussion Line:

Our percussion is comprised of snare, multi toms, bass drum and cymbals.

Colour Guard:

Our Colour Guard take the role of presenting the Canadian Flag and corps colours. (no experience necessary)

Who are we?

The United Alumni Senior Drum and Bugle Corps was formed in 1998 as a one time reunion event. Our marching member's history spans more than four decades from 1950 to 1990. Marching in previous drum and bugle corps such as Simcoe Boy Scout Trumpet Band, Simcoe Royal Blues, Simcoe Golden Lions, Brantford St. John's, Port Dover's Lakeshore Brassman, Toronto Optimist, Toronto Oakland Crusaders, Guelph Royalairs and The Salvation Army Band just to name a few. Today our members range in age from 14 to 86 and come from across Ontario to entertain our audiences.

Haven't played a horn for years!

Don't worry, although we have been around for a few years, almost every marching member has gone from their teenage years of playing in either junior drum corps or high school band to not playing for the past 15 or 20 years. You will be surprised how quickly it will come back. We will accept anyone 19 years of age or older. Those under the age of 19 wishing to join may do so with a parent or guardian.
